

W.F. CHAMBERS LETTER REGARDING ETHER TO DR. BOOTT 1846

44 Brook Street
Dec 17 1846

Dear Dr Booth

I also had heard
of the experiment on
the anodyne property of
the etheral inhalation
altho I had not heard
of the details of the cases
in which it had been used
in the way you mention -

I enclose you Dr
Booth's answer
to my note on the subject.

We shall of course
hear more of it ere long

Believe me

Dear Dr Booth

Very truly yours
