

ANESTHESIOLOGY REFLECTIONS FROM THE WOOD LIBRARY-MUSEUM

Dr. Paul M. Wood, Diplomate of the American Board of Anesthesiology

Certificate No. 8 of the American Board of Anesthesiology (*above*) was signed by ABA President John S. Lundy of the Mayo Clinic and by ABA Vice-President Henry S. Ruth, ANESTHESIOLOGY's first editor. In the ABA Secretary-Treasurer space, Ralph M. Waters signed. This certificate was awarded to "Paul M. Wood," who cofounded the ABA and served as its secretary and eventually as its president. Drs. Lundy, Waters, and Wood had all helped transform the ABA from its earlier status as a subordinate board (of the American Board of Surgery) to a truly independent specialty board.
